Dear Mr. Bush:

Congratulations, Niles Industrial Coatings has been awarded a 2017 Thomas J. Reynolds Award for construction safety and health from The Association of Union Constructors (TAUC)!

These prestigious safety awards recognize the outstanding achievements of our members to minimize the number of work site accidents, injuries and illnesses to their employees. To be eligible for an award, your DART rate had to be below 1.425 which is 25% below the most recent Bureau of Labor Statistics (BLS) national average of 1.9. Based on your application and OSHA logs, your DART rate was 0.87 and you will be recognized with a Certificate of Achievement.

These awards will be presented at the [2018 TAUC Leadership Conference](#) taking place May 15 – 18 at the Ocean Reef Club in Key Largo, Florida. The awards luncheon will be held on Wednesday, May 16th. **If you would like your company to be recognized in the program at the awards luncheon, a representative from your company must be a registered conference attendee.** If you haven't already done so, please make arrangements for a company representative to attend the Leadership Conference.

As a winner of the Thomas J. Reynolds Award, we have extended our conference early bird pricing for you through April 16, 2018. To register for the conference, visit www.taucleadershipconference.org and click "[REGISTER NOW](#)" or contact our Meetings and Events Manager Gwen Jackson at (703) 524-3336 ext 111 or via email at gjackson@tauc.org. **Regardless of attendance, awards will be shipped to all winners following the conference.**

As an award winner, sponsorship opportunities still exist for the awards luncheon and will remain available to you until March 30th. Sponsors will have their logos included on signage at the luncheon as well as in the safety awards luncheon program.
